

# Mel's Flower Share

Enjoy weekly organic bouquets of flowers from May to October. Everything from peonies to giant, dinner plate dahlias!

All flowers will be made available just like a standard CSA – we will setup a regular day and window of hours for you to pickup your share at Mel's house. Sorry, but we cannot deliver flower shares at this time.

Please fill out the below form and mail it back to us with your payment. We will follow up with a receipt and details for pickup times.

Thank you for choosing Mel's Green Garden!
